

SITE FORMAN

Well established commercial HVAC contractor is seeking an experienced Site Foreman for medium to large scale commercial projects in Calgary on a long term basis.

Qualifications:

- Alberta Journeyman Certificate or out of province with Red Seal
- Minimum 5 years experience as a Site Foreman
- Have excellent layout and blueprint reading skills
- Ability to manage crews of up to 10 efficiently
- Ability to effectively communicate and coordinate onsite with the General Contractor and other trades.

We offer Merit Benefits and a company vehicle.

Please submit your resume along with a list of recent projects and references to careers@movinair.com

Wage will be negotiated based on experience.
